

Ford

MUSTANG

www.ford.co.za

UNLEASHED, LOUDER, PROUDER

The icon further evolves with a new, sleeker design, more advanced technology and greater performance. From every angle, the New **MUSTANG** makes a powerful impression. There is a wider, more aggressive mesh grille, re-profiled bumper. New air extractor bonnet vents not only turn heads, but also ensure the engine remains cool, even in the most demanding conditions. No one should fail to notice its eye-catching new LED headlamps with instantly recognisable signature tri-bar lighting.

AGILITY

Sudden manoeuvres. Heavy traffic.
Challenging road and weather conditions.
The New **MUSTANG** offers sophisticated handling technologies that help you maintain control, so your drive can be more carefree.

The New MUSTANG's advanced braking system distributes brake force between front and rear wheels, and prevents wheels from locking. The result? Peace of mind, while you enjoy the **MUSTANG's** pinned-to-your-seat power.

An advanced brake line-up brings the New **MUSTANG** to a stop faster than you can say, "Whoa-boy!"

Greater handling when you need it most. (Standard) Selectable driving modes— Normal, Sport, Track and Snow/Wet – determine throttle response, gearshift points (on automatic transmission models), steering effort and stability control calibration to suit different driving conditions.

GT Premium Convertible. Ingot Silver.

A SOPHISTICATED 10-SPEED AUTOMATIC TRANSMISSION

With an advanced new 10-speed automatic transmission, you get exceptional acceleration as well as outstanding fuel efficiency. The gearbox's electronic control system enables settings that optimise performance for the New **MUSTANG's** different Drive Modes. With real-time adaptive shift, the transmission can adapt to changing conditions and select the right gear in any situation.

PURE PERFORMANCE

Discover a heart of pure power with the mighty 5.0L V8 engine. You'll hear it in the roar, feel it in the torque, experience it in the acceleration. Quite simply, it's the stuff of legends.

5.0L TiVCT V8
*330kW of power and 529Nm of torque

*Effective from MY2021 derivatives only.

TALKS THE TALK

Digital Instrument Cluster

The all-new 12" digital LCD instrument cluster lets you customise exactly what you want to see while you are on the road. Choose your drive mode – Normal, Sport, Track or Snow – to personalise the information and colour that is displayed on your gauge.

Navigation

Ford SYNC³ is designed to integrate seamlessly with your compatible smartphone, letting you control everything from calls and text messaging to music and satellite Navigation – all via the 8" touchscreen, or the simplest voice commands.

Ambient Lighting

Personalise your interior ambience with the New **MUSTANG's** customisable ambient lighting. Choose from 30 colours for the footwell, door handle, and cupholder lights to make the cockpit all yours.

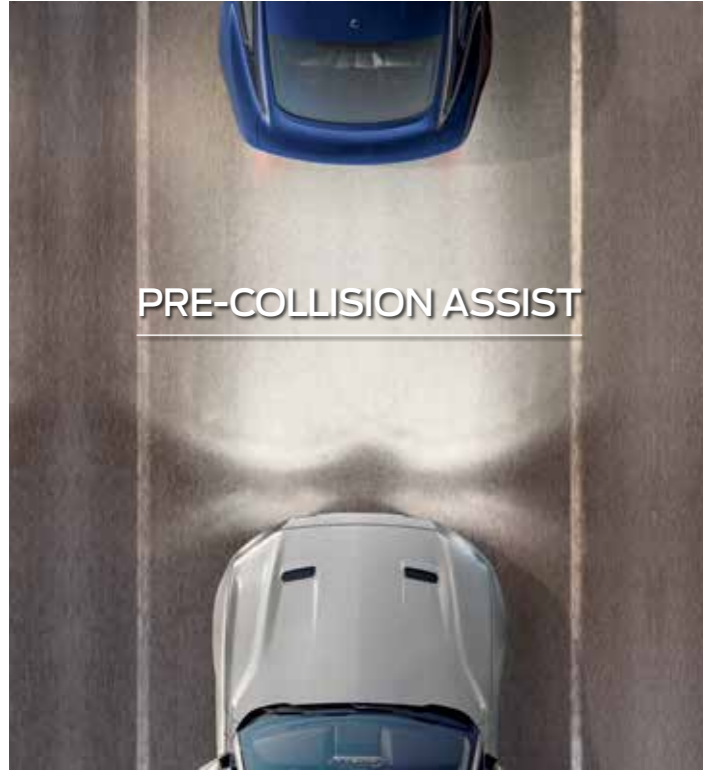

SYNC³ is a fully integrated, voice activation system that lets you use your favourite devices while your hands stay on the wheel and your eyes stay safely on the road.

AppLink[®], Apple CarPlay[™] and Android Auto[™] control SYNC-compatible apps with AppLink[®]. while Apple CarPlay[™] and Android Auto[™] lets you navigate your smartphone HMI through the SYNC[®] home screen as if it were your handset.

EXPERIENCE DRIVING WITH CONFIDENCE

Performance may already run in its veins, but its advanced driver assist technology that is taking the New **MUSTANG** to a completely new level of sophistication.

(Optional wheel)

MUSTANG SPECIFICATION

SERIES	5.0L GT
Engine & Transmission	
10-speed SelectShift® automatic transmission with paddle shifters	Std
Max power (kW @ rpm)	*330kW @ 7 000
Max torque (Nm @ rpm)	529 @ 4 600
Fuel tank capacity (L)	61
Fuel system	Ported electronic & direct cylinder injection
Easy-fuel capless refuelling system with misfuel inhibitor	Std

Bodystyle	
Fastback	Available
Convertible	Available

Ride & Handling	
Selectable drive modes: Normal, Sport+, Track, and Snow	Std
Drivetrain	Rear-wheel drive with limited-slip differential
Suspension – front	Double ball-joint independent MacPherson strut and tubular stabiliser bar
Suspension – rear	Integral-link independent with coil springs, solid stabiliser bar, and mono-tube dampers
Brake type	Four-wheel power disc brake with four-sensor, four-channel Anti-locks Braking System and AdvanceTrac™ with Dynamic Stability Control
Front brakes	380x34mm vented discs, Brembo six-piston 36mm fixed aluminium callipers
Rear – type	330x25mm vented discs, single-piston 45mm floating iron callipers, integral parking brake
Steering – type	Electric Power-assisted Steering (EPAS) with speed-dependent support
Steering – ratio	16.1
Turning circle – kerb to kerb	12.2m

Performance Pack Features	
K-brace	Std
Unique chassis tuning	Std
Upsized rear sway bar	Std
Heavy duty front springs	Std
3.55 limited slip rear axle	-
3.73 limited slip rear axle	Std
Front wheels	19" Ebony Black-painted Aluminium (255/40 R19)
Rear wheels	19" Ebony Black-painted Aluminium (275/40 R19)
Tyre Pressure Monitoring System (TPMS)	Std

Exterior	
Dual exhaust with quad tips	Std
Dual exhaust tailpipe	-
Front LED fog lamp	Std
Auto hi-beam headlamp	Std
Auto headlamp levelling	Std
LED headlamps with daytime running lights	Std
Pony projection lights	Std
Acoustic laminated windscreen	Std
Power-adjustable, heated mirrors with side indicator with MUSTANG approach light (puddle lamps)	Std
One-touch up/down power windows	Std
Rain-sensing windshield wipers	Std

STANDARD FEATURES	5.0L GT
Interior Lighting	
Theatre dimming	Std
Illuminated entry	Std
Front map lights	Std
Illuminated glovebox with lockable door	Std
Ambient lighting	Std

Instruments	
Trip computer with TrackApps™ (including trip timer, fuel used, seatbelt warning, outside temperature, accelerometer, acceleration timer and brake performance)	Std
12" LCD digital instrument cluster with MyColour®	Std

*Effective from MY 2021 derivatives only.

FORD PROTECT

Ford **PROTECT** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your new MUSTANG in perfect working condition.

All Mustang derivatives retailed on or after 01 November 2021 will not have a service plan included in the vehicle in line with the Competition Commission's Guidelines for the Automotive Aftermarket Industry. Service and maintenance plans can be purchased directly from the Finance and Insurance Manager at any Ford Authorised dealership. Please ensure you follow your service booklet for your service intervals. Service Plan covers all scheduled servicing except friction materials and wear items, i.e. brake pads and wiper blades. An Extended Warranty may be purchased prior to the expiry of the 4-yr/120 000km New Vehicle Limited Warranty (NLW).

Warranty: Extension covering your vehicle for up to 7 years or 200 000kms from the original warranty start date.

Service Plans options available for up to 8 years or 150 000kms from original warranty start date.

Maintenance Plans: Ford Protect has a variety of maintenance options for up to 8 years or 150 000kms.

Roadside Assistance: Opt for an additional 1 or 2 years Roadside Assistance.

Please contact your nearest Ford Dealer for more information regarding Ford PROTECT plans and products options or visit www.ford.co.za/fordprotect.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. E & OE.

Printed March 2022.
